ROMA

Here is some useful information for getting around Rome using public transportation.

You must buy tickets BEFORE getting on the bus or tram as you cannot pay your fare directly to the driver. You can buy tickets at the reception desk of Hotel Villa Grazioli or at any tobacco shop. Once you get on the bus or tram, you MUST stamp your ticket at one of the yellow machines aboard.

Once you are on the bus or tram, be careful! The stop numbers given are just estimates as buses and trams don't automatically stop at every single stop, so you shouldn't just count the times the bus stops to know when to get off. Be sure to watch the street names to know when your stop is coming. Press the buttons on the handrails to request your stop.
